Students will remain in the auditorium until they are released to their coaches or athletic bus. Students will use the 30 minute period to quietly work on homework, study for an approaching test or read. Student athletes may choose to go home before games or practices however they will be prohibited to attend sports study hall.

How do the sports busses work?

If your child plays a sport at another location in the district (Seward, HS, etc.), a bus will pick them up at AJHS and drop them at their field. It is the responsibility of the parent to pick the child up from that location at the conclusion of the event.
