

August 2017

Dear Parents/Guardians:

On behalf of everyone at Auburn Junior High School (AJHS), I would like to welcome you and your student(s) to AJHS. I hope you have had a pleasant summer and are looking forward to the coming school year with as much excitement and anticipation as our staff. There is a great opportunity to learn and grow at Auburn Junior High School for those who wish to do so.

The size of the building and newness of our programs may cause concern to some. To help students and parents/guardians overcome any concerns and to answer any questions, we are again hosting both a student *and* a parent/guardian orientation program.

Our **student orientations** are scheduled for **Monday, August 21, 2017**. For those students whose last names begin with **A – K** should report to AJHS from **8:30 – 11:00 a.m.** For those students whose last names begin with **L – Z** should report to AJHS from **12:00 - 2:30 p.m.** The program will consist of an overview of our building procedures as they apply to students, distribution of student schedules and locker combinations, set up of student SchoolTool accounts, and various team building activities. Students will also have the opportunity to explore the building with assistance from several AJHS National Junior Honor Society volunteers.

This year we will host two **parent/guardian orientations** to be held on **Monday, August 21, 2017** at **10:30 a.m.** (**A – K** parents) and **2:00 p.m.** (**L – Z** parents). Parents/guardians are asked to report to the Auditorium for this approximately 30-minute presentation, which includes a review of our educational program and building procedures for parents/guardians.

The district will be providing transportation for students and their parents/guardians if transportation is needed. Please see the schedule on the reverse of this page for departure times and locations.

Should you have any questions or concerns regarding our orientation programs, please feel free to contact me at 255-8480. It is our hope that all parents/guardians and incoming AJHS students will be in attendance at their respective orientations, and we can begin the school year on a very positive note.

Sincerely,

David B. Oliver
Principal
