August 2016

Dear Parents/Guardians:

On behalf of everyone at Auburn Junior High School, I would like to welcome you and your student(s) to AJHS. I hope you have had a pleasant summer and are looking forward to the coming school year with as much excitement and anticipation as we are. There is a great opportunity to learn and grow at Auburn Junior High School for those who wish to do so.

The size of the building and newness of our programs may cause concern to some. To help students and parents/guardians overcome any concerns and to answer any questions, we are again hosting both a student *and* a parent/guardian orientation program!

Our **student orientations** are scheduled for **Monday, August 22, 2016** (for those students whose surnames begin with **A - K**) and **Tuesday, August 23, 2016** (for students whose surnames begin with **L - Z**). Students should report to the Auburn Junior High School Auditorium at **8:30 a.m.** on their designated orientation day. The student orientation program will run until 11:30 a.m., and will consist of an overview of our building procedures as they apply to students, distribution of student schedules and locker combinations, set up of student SchoolTool accounts, and various team building activities. Students will also have the opportunity to explore the building with assistance from several AJHS National Junior Honor Society volunteers.

This year we will host two **parent/guardian orientations** to be held on **Monday, August 22, 2016 at 8:45 a.m.** (**A - Z** students) and **Tuesday, August 23, 2016 at 8:45 a.m.** (**L - Z** students). Parents/guardians are asked to report to the Auditorium for this approximately 45-minute presentation, which includes a review of our educational program and building procedures for parents/guardians.

Should you have any questions or concerns regarding our orientation programs, please feel free to contact me at 255-8480. It is our hope that all parents/guardians and incoming AJHS students will be in attendance at their respective orientations, and we can begin the school year on a very positive note.

Sincerely,

David B. Oliver
Principal
DBO/mnc
