

PBIS Home Support

Parents are an important part of our PBIS implementation. We encourage parents to use the same expectations and rules used in school. This common language creates consistency and a unified support system for expected behavior. Parents are asked to discuss the common rules and expectations. Families are encouraged to post the rules and expectations for easy reference. Children thrive when they have consistent and predictable expectations.

PBIS Home Checklist

- ☺ Ask your child about his/her day
- ☺ Review making wise choices
- ☺ Ask your child how they modeled positive behavior
- ☺ Discuss ways your child used PBIS to solve a problem
- ☺ Use encouraging words at home to support positive behavior

Positive Behaviors
Interventions and
Supports

► A Parents'
Guide

Showing PRIDE!!

► What is PBIS?

The Positive Behavior Interventions and Supports system is a building-wide philosophy designed to apply evidence-based strategies to:

- * Increase Academic Performance
- * Increase student safety
- * Decrease problem behavior
- * Establish positive school culture

► As part of the PBIS system, teachers and support staff at Auburn Junior High School have designed mini lessons that will help TEACH positive behaviors and expectations throughout the building.

► Similar to academic interventions, PBIS has a 3 tier behavioral intervention system to help provide ALL students with the best support system in order to ensure success in school.

Traditional VS PBIS

Traditional	PBIS
Focused on problem behavior	Replace negative behavior with new skill
Use of punishment	Alter environment
	Teach appropriate skills
	Recognize positive behaviors

AJHS PRIDE

The Auburn Junior High School team has recently hosted their PBIS kick-off. Students will have participated in lessons encouraging "Auburn PRIDE" and positive behaviors.
